FROM: **LEONARDO M. BALALA, CESE**

SUBJECT: **ANNUAL HEALTH APPRAISAL OF LEARNERS AND TEACHING & NON-TEACHING PERSONNEL**

DATE: **SEPTEMBER 7, 2018**

1. Physical assessment is the health assessment representing an examination of the bodily functions and condition of an individual. In DepEd, the physical examination of children is determined through cephalocaudal assessment that involves the detailed examination of the body from head to toe using the techniques of observation/inspection, palpation, percussion, and auscultation. On the other hand, Oral Health examination is the visual examination of a person's entire oral health status and determining the individuals' needs regarding his/her oral health.
2. In relation with this, the Health and Nutrition Section of this Division will conduct the physical and oral examination of all learners from Kinder to Grade 12 including the teaching and non-teaching personnel. Primarily, the activity aims to obtain baseline data of the students that will serve as basis/reference for necessary intervention/action for any unusualities.

3. In this view, School heads are requested to prepare the school clinic, the master list and the new medical and dental health cards of the learners to be used during the said activity.
4. Attached to this memorandum is a copy of the schedule of visit. Any changes with regards to the schedule of visit will be announced ahead of time through text message.
5. For those that do not have a copy of the new medical and dental health card, kindly visit the City Schools Division of Tacurong to secure a copy. For inquiries, you may contact Ms. Gillian Joy C. Paulate, MD thru mobile number – 09999434310/09560910707.
6. Wide dissemination of this Memorandum to all concerned is desired.
