CRISPIN A. SOLIVEN, JR. CESE
Schools Division Superintendent
Department of Education Division of Sultan Kudarat
Kenram, Isulan, Sultan Kudarat

Dear Sir,

Warm greetings and good health!

The Aedes-borne Disease and Prevention & Control Program of the Department of Health through the Provincial Health Office will provide the allocation of Insecticide Treated Nets to the selected public schools (elementary & high school) in the province.

The insecticides that are used for treating nets repel mosquitoes reducing the number that enter the house/classroom. In addition, if high community coverage is achieved, the dengue vector /mosquitoes will be eliminated.

In this light, we would like to inform your good office of the Insecticides-Treated Nets that are allocated in the following municipalities to be distributed by the municipal dengue coordinator, to wit:

- 1. Bagumbayan -50 rolls
- 2. Columbio -30 rolls
- 3. Esperanza -50 rolls
- 4. Isulan -60 rolls
- 5. Kalamansig -55 ROLLS
- 6. Lambayong -50 rolls
- 7. Lebak -50 rolls
- 8. Lutayan -50 rolls
- 9. Palimbang -50 rolls
- 10. Pres. Quirino -50 rolls
- 11. Sen. Ninoy Aquino -50 rolls
- 12. Tacurong City -60 rolls

Thank you and we are looking forward to a good partnership with your good office visioning to eliminate this mosquito-borne disease.

Very truly yours,

GINA C. GALINATO, MD, MHCa
Provincial Health Officer II
