MR. GILDO G. MOSQUEDA
Schools Division Superintendent
City Schools Division of Tacurong
City of Tacurong

Dear SDS Mosqueda,

Greetings of Peace and Goodwill!

The City of Government of Tacurong in strong partnership with the different Barangay Councils and Sangguniang Kabataan is embarking/initiating various Blood Letting Activities. These activities are to be done in order for us to have adequate blood stocks which could be utilized later on in cases of emergencies.

Relative to this, I would like to request from your end to allow qualified blood donors coming from different public high schools to participate in this venture. A letter consent signed by their guardians/parents is required prior to their blood donation. Their participation would contribute a lot in hitting our target for this year which is more or less two (2) thousand blood donors.

Thank you very much and hope for a positive action on this matter!

Abante Tayo, Asenso Tacurong
