- The EMB XII will conduct information, education, communication (IEC) campaign to improve environmental education and practices in schools. This initiative aims to raise awareness of environmental issues, incorporate sustainable practices into the classrooms, foster creativity, form alliances, and identify schools that are dedicated to the cause.
- Travelling expenses of the participants will be charged against respective local funds or any available funds in schools subject to the usual accounting and auditing rules and regulations.
- Immediate and widest dissemination of this Memorandum is desired.
