DIVISION MEMORANDUM

SGOD No. **058**, s. 2025

**RAPID HEEADSSS ADMINISTRATION FOR PSYCHOSOCIAL
SCREENING OF LEARNERS**

TO: Assistant Schools Division Superintendent
Chiefs, Curriculum Implementation and
Schools Governance and Operations Division
Cluster Head
School Head
Elementary and Secondary Schools (Public)
This Division

1. Adolescence is a crucial stage of life marked by swift changes in physical, cognitive, social and emotional growth. During this period, illness and death are often linked to largely preventable risky behaviors, such as accidental and intentional injuries, substance abuse and unsafe sexual practices.
2. The **HEEADSSS (Home, Education and Employment, Eating Habits, Activities, Drugs and Alcohol, Sexuality, Safety, Suicide and Depression)** framework is a proven tool utilized by healthcare professionals to understand and assess the physical, emotional and social well-being of adolescents. It helps identify strengths and risks for young people and support interventions that promote physical and mental health.
3. In line with this, the Schools Division Office of Tacurong City – School Health and Nutrition Section, in partnership with the Youth Formation Division and City Health Office, will carry out a Rapid HEEADSSS Screening for all students from Grade 4 to Grade 12, beginning with the Brigada Kick-Off and continuing through subsequent school health or division activities.
4. We also request that all school heads incorporate the psychosocial assessment and evaluation into the general consent form to be provided to the parents during the general assembly meeting or school orientation.

Address: Alunan Highway, Poblacion, Tacurong City 9800
