INVITATION TO PHILIPPINES ROBOTICS CUP

Creotec Philippines Inc. has been at the forefront of promoting robotics education through its annual robotics competitions, one that has continuously elevated the skills and aspirations of young learners across the country, producing young innovators who have proudly represented the Philippines in the World MakeX Robotics Competitions.

This year, the Philippine Robotics Cup is launched as it expand its scope with exciting categories including Line Tracing, Sumobot, Mission-Based Roboventure, On-the-Spot Assembly and Coding, and the 2nd Drone Soccer Competition. The highlight will be the national selection for the World MakeX Starter and Explorer teams – where the winning students and their coach will receive an all-expense paid trip in the World MakeX Robotics Competition in China.

Participation of public and/or private schools is encouraged to give more students the chance to develop vital skills in Robotics, Artificial Intelligence, IoT, and Academic Drones – technologies that are shaping the future of education and industry.

Interested coaches, students and school representatives can register here –
