1. Project ConECK or Connected in Education Communities through Kumustahan serves as the relational foundation that links technical assistance to meaningful impact. By providing responsive and contextual support directly to teachers, school heads and staff, the project builds genuine partnerships rooted in listening, mutual collaboration and sustained presence.
2. Sports like basketball provide a powerful platform for aligning the aspirations of DepEd personnel-mental health, stronger team dynamics, and a more positive work and learning environment. These activities create spaces where educators can reduce stress, build resilience, and connect with colleagues, turning shared athletic pursuits into pathways for both personal fulfillment and professional effectiveness
3. In support of CSC MC 38, s. 1992, that strengthens the Physical and Mental Fitness Program for government personnel and aligned with ongoing efforts to promote a healthy, resilient and productive workforce, DepEd RXII - through a partnership with East West Rural Bank (EWRB) as part of the Kalilangan Festival- will conduct the **Regional Interpersonal ConECK of Employees through Friendly Basketball Games-Leg 3**. The tournament will begin on February 21, 2026 (weekends only) at Dadiangas West Central School Gymnasium, General Santos City, preceded by a Welcome Night and Opening Program on February 20, 2026 at 6:00 PM. The event will be hosted by SDO General Santos City.
4. The SDO Tacurong Team listed below are hereby advised to attend for a meeting on February 13, 2026, exactly 2:00 o'clock in the afternoon at SDO Conference Hall and Schedule of practice will be on February 16-19, 2026 every 3:00 o'clock in the afternoon up to 5:00 o'clock at any available basketball court in the locality.
