SUBJECT : Call for Applications for 2026 Presidential FilipInnovation Awards

DATE : January 19, 2026

Greetings of Peace!

1. The Department of Economy, Planning, and Development (DEPDev), as Vice Chair of the National Innovation Council (NIC), is inviting FilipInnovators across the country to showcase solutions that can help shape the country's future, as it has officially opened the call for applications for the second cycle of the Presidential FilipInnovation Awards (PFA).
2. Pursuant to Executive Order No. 99, series of 2025, the Presidential FilipInnovation Awards is the country's highest recognition for outstanding Filipino innovation, honoring individuals, startups, and enterprises with innovations at early-stage commercialization and with strong potential for national impact.
3. Beyond national recognition, finalists and awardees will be supported with cash grants, structured mentoring and coaching from leading experts, and opportunities to participate in international innovation-related events. The PFA also strengthens connections between innovators and industry stakeholders, potential partners, and investors, providing a national platform that accelerates the development, validation, and commercialization of promising innovations.
4. The 2026 edition places greater emphasis on scalable solutions, market readiness, and meaningful linkages to industry, investors, and innovation enablers. This year's competition adopts an open category and welcomes applications from all Filipino individuals and Filipino-owned enterprises. It will follow a two-level competition structure, beginning with sub-national rounds in the National Capital Region, Luzon, Visayas, and Mindanao, and
