INVITATION TO THE FIRST INTERACTIVE SCIENCE MOBILE MUSEUM

Attached is **DepEd Advisory No. 033, s. 2026 dated June 17, 2026**, regarding the invitation of **Avia Prime Eduvent Management by Xplorasi** to participate in the **First Interactive Science Mobile Museum** with the theme **"Our Curious Mind: The Gen Z Exploration."**

The traveling exhibit aims to provide learners and teachers with engaging and interactive Science and Arts learning experiences that promote curiosity, creativity, and appreciation for Science, Technology, Engineering, and Mathematics (STEM). The program seeks to bring science learning closer to learners through hands-on and immersive exhibits designed to inspire innovation and critical thinking.

The **"Curious Mind: Interactive Science Mobile Museum"** is scheduled to travel to various venues nationwide from **July 2026 to March 2027**.

Participation in this activity is **strictly voluntary** and shall be subject to existing DepEd policies and guidelines on off-campus activities and the conduct of educational programs.

For further details, interested schools may directly coordinate with the organizers through the contact numbers indicated in the attached advisory.

Address: Alunan Highway, Poblacion, Tacurong City 9800
Telephone Numbers: (064)-562-4880; 0919-065-6425

INVITATION TO FIRST INTERACTIVE SCIENCE MOBILE MUSEUM

Avia Prime Eduvent Management by Xplorasi is a group of professional educational events coordinators, organizers, and exhibitors whose aim is to provide a more effective and enjoyable way of transmitting knowledge to its clientele. The group is well-exposed to the various facets of education that productively guarantee total quality learning.

For this season, AVIA PRIME will bring the FIRST INTERACTIVE SCIENCE MOBILE MUSEUM with the theme: "OUR CURIOUS MIND: THE GEN Z EXPLORATION." This traveling exhibit is designed to reach students in every corner of the archipelago, delivering exciting Science and Arts exhibits to students and teachers alike. Avia Prime's "OUR CURIOUS MIND" has already reached thousands of elementary, high school, and college students and has toured various regions throughout the country, including underserved communities. With the mission of bringing fun and engaging science learning into the classroom, the exhibit creates an environment where scientific concepts are discovered in an entertaining and interactive way, inspiring imagination and curiosity among young minds. Furthermore, the exhibit promotes Science, Technology, Engineering, and Mathematics (STEM) education that can help develop students' ability to evaluate simple to complex societal problems and become responsive and active participants in formulating solutions.

The "CURIOUS MIND: Interactive Science Mobile Museum" will travel to different venues in your region from July 2026 to March 2027.

Rest assured that we shall strictly abide by the DepEd Guidelines for Off-Campus Activities and comply with the policies and guidelines stipulated in DepEd Order No. 9, s. 2005, entitled "Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith." Participation in the program shall be purely voluntary.

We look forward to hearing from you with regard to this proposal. Should you wish to discuss details further, feel free to contact us: (02) 8697 6361; (02) 7000 5156; 09993966214; 09063505088; 09667602068
