DIVISION MEMORANDUM

SGOD-2026- 146

CONDUCT OF WATER TESTING IN SCHOOLS

TO: Assistant Schools Division Superintendent
Chiefs, Curriculum Implementation and
Schools Governance and Operations Divisions
Elementary and Secondary School Heads
Elementary and Secondary (Public)
This Division

1. This is in line with the Schools Division of Tacurong City through the School Health and Nutrition Section in partnership with Tacurong City Health Office's commitment to ensure a safe and healthy learning environment, and pursuant to the objectives of the Water, Sanitation and Hygiene in Schools (WinS) Program, this Office announces the conduct of water quality testing in all public elementary and secondary schools on **September 07, 2026-Monday in the morning**.
2. This initiative aims to monitor and evaluate the potability and safety of drinking water sources in schools to prevent water-borne illnesses and promote the health and well-being of learners and personnel. This involves collecting water samples from school sources and testing them for physical, chemical and microbial contaminants.
3. In view thereof, School **WinS Coordinators** are enjoined to take the lead in the preparation of water sources in the school. Your full cooperation and support in this activity are crucial in maintaining a healthy and safe learning environment for our students and staff.
4. Widest dissemination of this Memorandum and participation of all concerned are enjoined.

CARLOS G. SUSARNO PHD., CESO VI
Assistant Schools Division Superintendent
Officer-in-charge
Office of the Schools Division Superintendent
