**INVITATION TO THE DIRECT ANTERIOR COMPOSITE VENEER &
REGEN X WORKSHOP**

This refers to the invitation letter from the Advanced Practice and Education in Dentistry (APED) inviting all Public Health Dentists, Government Dentists, and Hospital Dentists to participate in specialized workshops designed for clinical and professional practice.

This is a non-DepEd-registered PDP and requires a registration fee. Hence, no government funds shall be used, and participation shall be from personal funds. However, participation shall be on official time.

All other details are attached for your reference.

For information and immediate dissemination.

Official Workshop Invitation
Direct Anterior Composite Veneer & Regen X

Katja Riel Raz – Tolosa, DMD
Administrative Program Head
Advanced Practice and Education in Dentistry (APED)

Tuesday, 8 September 2026

Carlos G. Susarno, PhD, CESO VI
Assistant Schools Division Superintendent
Office-in-Charge
Office of the Schools Division Superintendent

Dear Dr. Susarno,

Greetings from **Advanced Practice and Education in Dentistry (APED)**.

We are honored to invite all **Public Health Dentists, Government Dentists, and Hospital Dentists** to participate in our specialized workshops designed to advance clinical expertise and professional practice.

Workshop Program:

Workshop	:	Direct Anterior Composite Veneer & Regen X
Venue	:	Royal Grand Astoria - Zamboanga City
Date	:	Direct Anterior Composite Veneer: September 14, 2026 (9AM-5PM)
	:	Regen X: September 15, 2026 (9AM-5PM)
Workshop Fee:		Direct Anterior Composite Veneer: ₱ 15,500.00
	:	Regen X: ₱ 10,000.00
Inclusions	:	Lectures, Food (AM Snack, Lunch and PM Snack), Hands-on Training,
Workshop Materials		
Exclusions	:	NA

These intensive programs combine lectures and hands-on training to provide participants with both theoretical knowledge and applied experience. The training is essential for enhancing professional proficiency, equipping participants with the expertise to perform complex procedures effectively, improve outcomes, and adopt innovative techniques in modern practice.

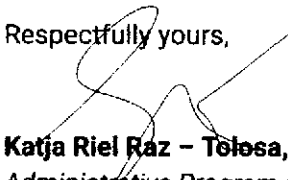

With a strong emphasis on applicable, cost-effective solutions tailored for diverse professional settings, the workshop will deliver a comprehensive overview of evidence-based practices and innovations designed to enhance precision, minimize complications, and optimize results.
