MINDANAO-WIDE ROBOTICS COMPETITION 2026

In reference to **Regional Advisory No. 067, s. 2026** dated September 21, 2026, all concerned are hereby informed of the **Mindanao-Wide Robotics Competition 2026 (MWRC 2026)** to be held on **October 3–4, 2026**, at **Gaisano Grand Mall, Koronadal City, South Cotabato**.

The competition aims to provide learners with opportunities to demonstrate and develop their knowledge and skills in robotics, programming, electronics, and technology, while promoting teamwork, innovation, critical thinking, and problem-solving.

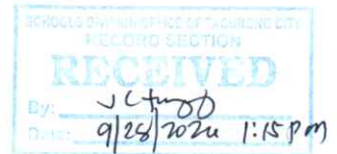

For the competition events category, please refer to attached Regional Advisory.

Interested learners and school teams may participate voluntarily, subject to the official rules, eligibility requirements, registration procedures, and competition guidelines of the organizers, and in accordance with existing DepEd policies, rules, and regulations.

For details on the competition mechanics, registration, and requirements, interested parties may coordinate directly with the **ALPHACORE INFORMATION TECHNOLOGY SOLUTIONS Organizer of the Mindanao-Wide Robotics Competition 2026**.

Participation of public school personnel shall be subject to the non-disruption-of-classes policy under DepEd Order No. 9, s. 2005.

MINDANAO-WIDE ROBOTICS COMPETITION 2026

In celebration of the Koronadal City Charter Anniversary and Negosyo Festival 2026, the Department of Education – SOCCSKSARGEN Region informs all concerned of the conduct of the **Mindanao-Wide Robotics Competition 2026 (MWRC 2026)** organized by **Alphacore Information Technology Solutions**, in partnership with the Rotary Club of Metro Koronadal on **October 3-4, 2026** at **Gaisano Grand mall, Koronadal City, South Cotabato**.

The competition provides learners with an opportunity to demonstrate and develop their knowledge, creativity, skills, and competencies in robotics, programming, electronics, and technology, while promoting teamwork, innovation, critical thinking, and problem-solving.

The competition events category are **Line Following Robot, 1KG Fully Autonomous Sumobot, 3KG Remote-Controlled Sumobot, 4x4 Remote-Controlled Soccerbot and Battlebots**.

Interested learners and school teams may participate subject to the official rules, eligibility requirements, registration procedures, and competition guidelines issued by the organizers.

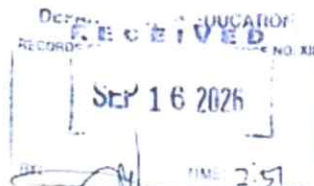

Participation in the activity shall be voluntary and shall be undertaken in accordance with existing DepEd policies, rules, and regulations.

For further details regarding the competition mechanics, registration, requirements, schedules, and other concerns, interested parties may coordinate directly with: **ALPHACORE INFORMATION TECHNOLOGY SOLUTIONS Organizer, Mindanao-Wide Robotics Competition 2026**.

Participation of public school personnel shall be subject to the non-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005, titled *"Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith."*

September __, 2026

ATTY. ALBERTO T. ESCOBARTE, CESO II
Regional Director
Department of Education – SOCCSKSARGEN Region (Region XII)
Koronadal City, South Cotabato

Subject: Invitation and Request for Consideration of a Regional Memorandum for the Mindanao-Wide Robotics Competition 2026

Dear Director Escobarte,

Warm greetings! We, at Alphacore Information Technology Solutions, respectfully invite the Department of Education – SOCCSKSARGEN Region to support the upcoming **Mindanao-Wide Robotics Competition 2026 (MWRC 2026)**, an initiative that aims to give students, teachers, and robotics enthusiasts an opportunity to showcase their skills, creativity, and knowledge in robotics and technology. The competition is organized by Alphacore Information Technology Solutions, in partnership with the **Rotary Club of Metro Koronadal**, and will be held at Gaisano Grand Mall, Koronadal City, on Oct. 3-4, 2026 in celebration of the **Koronadal City Charter Anniversary and Negosyo Festival 2026**. It will feature **Line Following Robot, 1KG Fully Autonomous Sumobot, 3KG Remote-Controlled Sumobot, 4v4 Remote-Controlled Soccerbot, and Battlebots**.

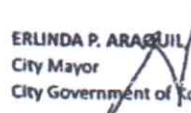

More than a competition, MWRC 2026 aims to provide learners with a practical platform to apply their skills in **STEM, programming, electronics, and robotics** while developing teamwork, creativity, and problem-solving. In this regard, we respectfully seek your consideration for the issuance or dissemination of a **Regional Memorandum** informing schools in Region XII about the competition and encouraging participation. Your support would help us reach more learners and further promote robotics, innovation, and technology among the youth. We would be pleased to provide the official rulebook and other documents required for your office's evaluation.

We sincerely hope to work with the Department of Education in providing our learners with a meaningful platform to build, innovate, compete, and inspire one another. Thank you very much for your time and kind consideration. We look forward to the opportunity to coordinate with your office.

Respectfully yours,

ENGR. FERDINAND H. LOPEZ II
Alphacore Information Technology Solutions
Organizer, Mindanao-Wide Robotics Competition 2026
